# Your partnership changes lives!

Mary Rafferty

More than 85 percent of our donations come from individuals like you — and you made 2014 a record-breaking year in generating support for NPH homes and programs. This includes more than 6,500 child sponsors.

And, we welcomed 39 volunteers from the U.S. to NPH homes. With your help, we raised more than \$11.1 million in cash that went directly to care for orphaned, abandoned and disadvantaged children.
