

MEXICO EARTHQUAKE RELIEF

NPH USA transforms the lives of abandoned and disadvantaged children by supporting the homes, healthcare and educational programs of Nuestros Pequeños Hermanos (NPH, Spanish for "Our Little Brothers and Sisters"). Together, we help children overcome poverty and become leaders in their communities. Founded in 1954, NPH is currently supporting more than 5,000 boys and girls in Bolivia, the Dominican Republic, El Salvador, Guatemala, Haiti, Honduras, Mexico, Nicaragua and Peru. In addition, our community outreach programs provide over 100,000 services each year.

On September 19, a devastating 7.1-magnitude earthquake struck Mexico near two of our NPH homes. All of our children, volunteers and staff are safe. However, our homes in Miacatlán and Cuernavaca suffered extensive damage, leaving our

children at risk. Initial reconstruction estimates are approximated at \$5 million.

We need your help to rebuild and repair areas of our homes including:

- **Elementary and middle school buildings:** currently our 400+ internal and 65 external students cannot attend school.
- **Dining hall and kitchen:** meals are being prepared outside and our children are eating on the patio.
- **Entrance wall:** needs to be repaired to provide security for the property.
- **Agricultural warehouse:** is not structurally safe for use.
- **Boys' dorm (Cuernavaca):** 60 boys are living in a temporary space.
- **Guest/volunteer house (Cuernavaca):** cannot be used or even accessed to retrieve personal items.

Your generosity will greatly impact the NPH Mexico family and allow us to continue caring for the children in our homes. Please donate now at:
