LOVE: Committing to the children for the rest of their lives.

RESPONSIBILITY: Teaching children to work and share while making a difference to their family and community.

SPIRITUALITY: Providing our children with a spiritual foundation.

INDEPENDENCE: Raising self-sufficient children through education and life skills.

INTERACTION: Offering opportunities to engage our children and supporters so they can grow with one another.

A HISTORY OF CARING

In 1954, Father William Wasson was awarded the custody of a young boy charged with stealing from the church poor box. He and eight other homeless boys were placed in Father Wasson's care to become the first children of Nuestros Pequeños Hermanos. Today, more than 60 years later, we have homes, healthcare and educational programs in Bolivia, Dominican Republic, El Salvador, Guatemala, Haiti, Honduras, Mexico, Nicaragua and Peru. Over 18,000 children have called NPH "home" and 100,000 people per year receive assistance through community outreach programs.

DISCOVER HOW YOU CAN TRANSFORM LIVES

One child and one donor at a time, we are transforming lives at Nuestros Pequeños Hermanos (NPH, Spanish for "Our Little Brothers and Sisters") a unique network of homes and programs in Latin America and the Caribbean. NPH USA connects sponsors with children and provides financial and volunteer support for all the NPH homes; measuring our success, one child and one program at a time.

BUILD FAMILIES & VALUES

Our children are not placed for adoption. They live with the security of knowing they will be able to stay with their siblings and that they have a family for life with NPH. They are raised with values of responsibility, commitment and caring for others. Each child is asked to give a year of service to NPH before entering high school and another before leaving for college. You can support the personal growth of each of our children.

INSPIRE KNOWLEDGE & TEACHING

Education helps to break the cycle of poverty and lays the foundation for true change. We focus on providing each child a well-rounded education that opens opportunities to pursue a university degree or learn a trade. Your donations give children a chance to learn the skills that build a stronger future.

DELIVER HEALTH & WELLNESS PROGRAMS

Prior to arriving at our homes, many of our children had never visited a doctor or dentist. Your support ensures excellent care, establishment of healthy lifestyles, and outreach programs that assist thousands of people every year. Delivering health and wellness programs is essential for our children to lead productive and positive lives.

GIVE UNCONDITIONAL LOVE & SECURITY

Our children feel the impact of not only being cared for, but also being cared about. It comes with the immeasurable feeling of love from the family of NPH staff, teachers, sponsors and donors from around the world. Giving to NPH USA creates a special partnership that allows donors to see how commitment changes lives. NPH puts you closer to the children so they can see the impact their contributions make first hand.
