

NPH USA
Raising Children. Supporting Families.
Transforming Lives.

“Every single person had a smile
ear to ear, it happened
everywhere the kids went, they
just transform people.”

- Anne Mears,
NPH Regional Board Member & Parish Staff

Position:

Member, Church Ambassador Program, NPH USA

Leaders:

Regional Staff Member & Church Ambassador Chair(s)

General Mission:

The NPH USA Church Ambassador program is vital to the continued success of the organization. NPH Church Ambassadors help to promote the NPH mission, find sponsors for children at our NPH homes, fund a project, or host the children during a pequeño tour. Ambassadors facilitate their faith community raising funds and awareness for children in need.

Goals:

1. Create and help to implement a permanent NPH outreach committee in your parish.
2. Help to promote sponsorship in your parish with a goal of getting ten children sponsored in a year.
3. Participate in calls with ambassador chair(s) and regional staff to share ideas and feedback.
4. Assist your parish in funding a need at an NPH home to help increase awareness and support on an annual basis.
5. Keep the mission of NPH alive in your parish and present throughout the year.

Suggested Ideas:

1. Implement a child sponsorship wall.
2. Implement 30 children in 30 days sponsorship drive.
3. Have CCD classes sponsor a child at one of our NPH homes.
4. Promote NPH USA trips to parishioners.
5. Print sponsorships, trips, events for NPH USA in church bulletin.

ABOUT NPH USA

NPH USA transforms the lives of vulnerable children in Latin America and the Caribbean by supporting the homes, health services and educational programs of Nuestros Pequeños Hermanos (NPH, Spanish for “Our Little Brothers and Sisters”). Together, we help children overcome poverty and become leaders in their own communities.

Founded in 1954, NPH is currently supporting more than 6,200 boys and girls in Bolivia, the Dominican Republic, El Salvador, Guatemala, Haiti, Honduras, Mexico, Nicaragua and Peru. In addition, our community outreach programs provided over 140,000 services in 2017.
