## Church & School Staff Familiarization Trip February 11 – 15, 2019

Join us for an immersion trip to our NPH home in Honduras. Experience firsthand how NPH USA transforms the lives of children! You will meet the amazing children, staff, and volunteers of NPH and learn about their daily lives. Whether you are new to NPH, or a longtime supporter, visiting our homes is the best way to see what we do in action.

### About NPH Honduras

Opened in 1986, NPH Honduras is home to 558 children, including 57 supported externally. Rancho Santa Fe is located one hour northeast of Tegucigalpa, the nation's capital. It features a preschool/ kindergarten, primary and secondary schools, vocational workshops, clinics, chapel and a 500-acre farm. In addition, there are two special homes: Casa de los Angeles for disabled children, and Casa Eva for elderly adults who have no family to care for them. Casa Pasionista, a home for adults living with HIV/AIDS, is located on the Ranch property.

### Trip Highlights:

- Discover first-hand the effects that love, caring, and acceptance have on children who once struggled to survive.
- Experience life as the children of NPH do each day with chores, school, sports, and sharing meals.
- Develop meaningful relationships where language and culture have no boundaries.
- Meet the leadership, staff and volunteers of NPH Honduras.
- See how your church or school can make a difference by introducing them to NPH through a future service trip, sponsorship drive, hosting a pequeño tour or an NPH speaker!
