Immersion Trip to NPH Honduras

April 22-28th, 2019

Join us for a one-week immersion trip to our NPH home in Honduras. Experience firsthand how NPH USA transforms the lives of children! You will meet the amazing children, staff, and volunteers of NPH and learn about their daily lives. Whether you are new to NPH, or a longtime supporter, visiting our homes is the best way to see what we do in action.

We will have the unique opportunity to stay at the NPH home with the children. This will allow us to immerse ourselves in NPH life with the children. While the children are in school, you will help out around the home (helping with daily chores around the property, working in the gardens and farm, caring for the babies, working in the kitchen, and viewing the school, etc.). Relax or hang out with the pequeños in the afternoons. We will coordinate activities with the different age groups throughout the week. Additionally, you will have the opportunity to meet with the leadership of the NPH home, tour all of the home's facilities, and hear the children tell about life at NPH.

About NPH Honduras

A thriving, bustling community less than an hour from the nation's busy capital is Rancho Santa Fe. Open since 1985 Rancho Santa Fe is the second oldest of the NPH homes. Over 400 hundred pequeños make their home in this vast wooded oasis in the hills—a metropolis in comparison to the surrounding quiet pueblos—while an additional 100 pequeños study and live in the capital, Tegucigalpa.
