VISITOR’S GUIDE: NPH PERU
Country Overview

In Peru, 25 - 33% of children aged 6 to 14 work, often putting in long hours at hazardous mining or construction sites.

Area: 798,598 square miles – slightly smaller than Alaska

Population: 31,331,228 (July 2018 estimate)

Languages: Spanish, Quechua, Aymara, and many minor Amazonian languages

Even though Peru’s poverty rate has improved, inequality persists.

A Brief History

Ancient Peru was the seat of several prominent Andean civilizations, most notably that of the Incas whose empire was captured by Spanish conquistadors in 1533. Peru declared its independence in 1821, and remaining Spanish forces were defeated in 1824. After a dozen years of military rule, Peru returned to democratic leadership in 1980, but experienced economic problems and the growth of a violent insurgency.

President Alberto Fujimori’s election in 1990 ushered in a decade that saw a dramatic turnaround in the economy and significant progress in curtailing guerrilla activity. Nevertheless, the president’s increasing reliance on authoritarian measures and an economic slump in the late 1990s generated mounting dissatisfaction with his regime, which led to his resignation in 2000. A caretaker government oversaw a new election in the spring of 2001, which installed Alejandro Toledo Manrique as the new head of government - Peru’s first democratically elected president of indigenous ethnicity. The presidential election of 2006 saw the return of Alan Garcia Perez who, after a disappointing presidential term from 1985 to 1990, oversaw a robust economic rebound. Former army officer Ollanta Humala Tasso was elected president in June 2011, and carried on the sound, market-oriented economic policies of the three preceding administrations.

Pedro Pablo Kuczynski Godard won a very narrow presidential runoff election in June 2016. Facing impeachment after evidence surfaced of his involvement in a vote-buying scandal, he offered his resignation on March 21, 2018. Two days later, First Vice President Martin Alberto Vizcarra Cornejo was sworn in as president.

Poverty and unemployment levels have fallen dramatically in the last decade, and today Peru boasts one of the best performing economies in Latin America.

Nuestros Pequeños Hermanos (NPH, Spanish for “Our Little Brothers and Sisters”) Peru opened in 2004 in rented accommodations in Cajamarca in the northern Andes Mountains. Because of difficult accessibility – it was 13 hours by car from Lima – the home was relocated to a rental site closer to the capital in May 2007. The children moved to the permanent site, Casa Santa Rosa, in October 2011. Construction is ongoing.

Peruvian law prohibits us from using photos that show the faces of minors.
Daily Life

**Highlights**
- Peru is the first country in South America to have an NPH home.
- Each of the family-style homes is designed to accommodate 16 children and two caregivers.
- The school year begins in mid-March. The children currently attend local schools. Many had never been to school prior to joining NPH. A special education program was added in 2015.
- A bakery, which is the home’s first vocational workshop, was completed in 2016. It offers the opportunity for youth to learn a valuable trade, as well as provides bread for the home.

**Responsibility**
Responsibility is one of the most important values that NPH tries to instill in their children. This is why each child is expected to not only be responsible for him or herself, but to contribute to the family. This includes doing traditional chores such as washing clothes, cleaning common areas and serving food. Everyone knows how much effort goes into caring for their home and all the people who live there.

After graduating from high school the pequeños give back to the home in a year of service job. Then, if the student decides to go to university with the help of NPH, they give another year of service after graduating from university.

**Godchildren**
If you sponsor a child at NPH Peru, arrangements will be made for him/her to spend time with you during your visit. Please contact your regional office if you are interested in becoming a Godparent.
Travel Tips

**Entry Requirements**
U.S. visitors require only a passport, valid for six months from date of travel, and a return ticket to be issued a visa for up to 183 days when they enter Peru.

**Vaccinations**
Before traveling to Peru, please consult your physician and visit www.cdc.gov/travel

**Transportation**
- For group trips organized by NPH USA, transportation will be provided by NPH.
- Do NOT hitchhike under any circumstances.

**Accommodations**
Lodging varies depending on trip package. See specific trip information or consult the coordinator for details.

**Water**
**DRINK BOTTLED WATER ONLY.** This cannot be stressed enough.

**Food**
While at NPH facilities, we will eat just like the children and staff at specific mealtimes:
- Breakfast: 6:30 a.m.
- Lunch: 1:30 p.m.
- Dinner: 7:00 p.m.

Food at NPH is NEVER wasted. If you are unsure you will like what is being served, ask for only "un poquito" (a little), and if you cannot finish, please offer it to one of the children.

While on day trips, we will eat in restaurants where we are sure that food will be safely prepared.

Visitors are welcome to bring snacks to share with the group. Be sure to bring things that can withstand heat and preferably are individually wrapped.

**Bathroom Etiquette**
It is not possible to flush toilet paper in most Latin American countries due to the poor plumbing systems. Toilet paper and all sanitary products must be thrown in small waste baskets next to the toilet. **DO NOT flush toilet paper or sanitary products while visiting the NPH home.**

Bring travel toilet paper, a packet of facial tissues, or baby wipes with you at all times. Tissue is not always available in public bathrooms.

**Electricity**
The electrical current in Peru is 220 volts, 50 cycles alternating current (AC). A converter is needed for appliances requiring 110 voltage. U.S.-style flat prongs fit most outlets. You should expect power outages, which are common in Latin America.

**E-mail & Phones**
Internet cafés are common and can be used for e-mail and phone calls. (Look for a sign with an @ symbol out front.) Hotels increasingly have Wi-Fi, if not in their guest rooms then at least in the public areas.

The goal of the trip is to have fun, experience the culture of Peru and meet the inspiring children of NPH. Each traveler has so much to share with this great family and so much to learn. We hope that each visitor grows from their interactions with the children we support, just as your visit helps them to do the same.

Please review the NPHI Visitor Policy and Guidelines, sign the form and return it to your trip leader.
Travel Tips (continued)

Clothing
Comfortable, broken-in walking shoes are a must! The days can be hot, so light clothing – shorts, slacks, cotton T-shirts, sandals and/or running shoes – is appropriate. Keep in mind to dress conservatively and in a tidy manner. Please do not wear anything torn, too short or provocative. If you have any piercings other than ears, please take them out during your visit. If you have any tattoos, please keep them covered. These can be associated with gang activity and we do not want the children to have a negative impression of you.

Currency and Credit Cards
The currency in Peru is the nuevo sol (S/). Bills are issued in denominations of 10, 20, 50, 100, and 200 soles. Coins are 1, 5, 10, 20, and 50 céntimos, and 1, 2, and 5 soles. U.S. dollars can be exchanged in banks and exchange houses (casas de cambio). DO NOT exchange on the street. ATMs (cajeros automáticos) are widely available, but never withdraw cash while alone or at night because muggings have become more common. Break larger bills as soon as possible as many businesses often do not have change. U.S. dollars must be in pristine condition; bills with even the slightest tear will not be accepted.

Major credit cards, especially MasterCard and Visa, are accepted in most hotels, restaurants, and shops in tourist areas. Please remember that credit card fraud is an issue all over the world, so be cautious.

An 18% general sales tax (impuesto general a las ventas) is levied on everything except goods bought from open-air markets and street vendors. It should be included with food and drink.

Tipping
Most restaurant and bar bills include a 10% gratuity. It is customary to add an extra 10% if the service has been satisfactory. Taxis do not expect tips. Fares are negotiated prior to initiating the trip. Hotel porters and bell boys expect a tip of $1 per bag.

Safety
Outside the gates of NPH, we recommend that you never go alone anywhere. Avoid wearing flashy jewelry and watches. Be vigilant in regards to your surroundings. While at the home, we will be in a very safe and controlled environment. However, it is important to remember to watch your personal property. Our children have all come from very different backgrounds and while NPH tries to help them realize that they are safe now, many of them are still in survival mode. They are not malicious, but for many, taking is the only way they have ever survived.

NPH-Related
Pequeño/a - literally “little,” but it is the term used for all NPH children
Tío/a - literally aunt or uncle, but at NPH it is a caretaker
Fr. Wasson - Padre Wasson (Founder of NPH)
Padrino - Godfather (Sponsor)
Madrina - Godmother (Sponsor)
Ahijado/a - Godchild
Hermano/a Mayor - Older brother/sister - the term for a former pequeño/a or graduate of NPH

Other

Do NOT Bring
- Expensive or irreplaceable jewelry or other valuable items

Visitors often ask what items they can bring for the children. Following are some suggestions.

**Clothing and Shoes**
- Underwear and socks (children’s sizes)
- Sandals

**Education/Arts & Crafts**
- Books in Spanish
- Coloring books
- Colored pencils and crayons

- Beads
- Stickers

**Toys & Games** (for every age group)
- Card games
- Board games

**Sports Equipment**

- Balls
- Jump ropes
- Air pumps with extra needles

**Hygiene**
- Feminine products
- Shampoo
- Soap
- Toothpaste
- Toothbrushes (for kids AND adults)

**Health Care**

- Tylenol

These items are always needed in the clinic. Please contact us if you are interested in donating other medical supplies.

**Other**
- Barrettes and hair accessories
- Inexpensive plastic jewelry
- Batteries of various sizes are always needed and easy to transport

**When in doubt . . .**
Bring things that NPH needs or wants, and that get depleted. If you are still unsure, ask!

**PLEASE DO NOT**
- Bring candy or small items to randomly pass out. This can result in hurt feelings among children who do not receive anything.
- Bring expensive gifts, such as music players, video games or jewelry. This may unintentionally create feelings of jealousy and cause problems for that child.
- Give gifts directly to the children. Give them to the home’s Visitor Coordinator or a staff person.
- Give money to anyone at the home. This can cause confusion about how it will be used and will not qualify for a tax deduction under U.S. law. Please make all donations through NPH USA.

**REMEMBER, YOUR VISIT IS A GIFT!**
Neither NPH nor NPH USA want the children to associate your visit with material items. The best thing that you can bring is you! All your kind words, thoughts and affection are going to be the most lasting gift. Building relationships is the most valuable thing you can offer!
We suggest you leave this information as well as your flight and hotel details (if applicable) with your emergency contact.
