# Incentive Program

NPH USA Youth Ambassadors are enthusiastic and dedicated individuals, involved in spreading NPH throughout their unique networks...and they deserve to be rewarded! We are so grateful for our Youth Ambassadors and their efforts in transforming lives.

## Individual Goals:

- 30 total hours of volunteering during the year (that's five a month during the school year!), including but not limited to:
  - Club meetings
  - Helping at the NPH office or remotely
  - Fundraiser planning and running
  - Monthly challenges
- Recruit one new Youth Ambassador
- Participate in one annual travel opportunity or connect NPH to your teacher or another member of your community

## Club Goals:

- Annual travel opportunity
- Two fundraisers per year
- Volunteer and complete challenges as a group monthly
- Regular education on NPH through videos, fact sheets, and [nphusa.org](http://nphusa.org)

Track your efforts and hours using the volunteer hour tracking log. Turn your hours in at the end of the school year for an **NPH t-shirt and swag bag!**

## Track Community Service Hours:

- Service hours show colleges and employers that you have the self-motivation to plan for something and follow through! It also shows them that you are well rounded and engage in activities other than what is necessary to graduate.
- Use your tracking log to mark down any NPH USA meetings, volunteering (in-office or remote), planning sessions, or fundraisers.
