

NPH USA'S POWER TO EMPOWER SERIES

Thursday, March 4, 2021

7 p.m. CST | Zoom

Dear Friend of NPH USA,

We are excited to share with you an exciting and new NPH USA Power to Empower Series focusing on our global effort to educate, support, and empower our NPH women and girls to realize their fullest potential. Throughout February and March 2021 virtual activities will be hosted to educate each other about gender issues in Latin America and the Caribbean.

On Thursday, March 4, 2021 at 7 p.m. CST NPH USA will host *Celebrating Her*.

This national virtual event will coincide with Women's History Month and International Women's Day. We will feature phenomenal, inspiring and change-making NPH women who will share their personal stories about *Nuestros Pequeños Hermanos* (NPH, Spanish for "Our Little Brothers and Sisters").

We invite you to celebrate the lives of transformational women by honoring a female in your life with a gift that empowers the lives of young girls across NPH. When you choose an event sponsorship level that is meaningful to you; one of the benefits is to do so in honor of a special female in your life and we will join you to celebrate her!

Whoever it is that inspires you, would you please consider a gift to Celebrate Her by investing in empowering girls in her honor as one of our event sponsors?

Join us in raising the necessary funds to create a life-changing event while marketing your organization or showcasing your individual support to empower women and girls at NPH.

For more information about this event, please contact your Regional Office.
