

Dear Friend of NPH USA,

We are excited to share with you an exciting and new NPH USA Power to Empower Series focusing on our global effort to educate, support, and empower our NPH women and girls to realize their fullest potential.

Throughout the month of February 2021 virtual activities such as: wine tastings, house parties, trivia, wellness classes and peer-to-peer online fundraising will be hosted to educate each other about the gender issues in Latin America.

On Thursday, March 4, 2021 at 7pm CST NPH USA will host *Celebrating Her*.

This national virtual event will coincide with Women's History Month and International Women's Day. We will feature phenomenal, inspiring and change-making NPH women who will share their personal stories about Nuestros Pequeños Hermanos.

We invite you to choose an event sponsorship level that is meaningful to you. Your support will have a direct impact on empowering women and girls at NPH.

Join us in raising \$100,000 to create a life-changing event while marketing your organization or showcasing your individual support for a mission that is meaningful to you.

For more information about this event, please contact your Regional Office.
