ENDOWMENT PROGRAM: HELP ENSURE THE FUTURE

The Father Wasson Legacy Endowment, Inc. (FWLEI) was created in 1995 to ensure that the work begun by Father Wasson to transform the lives of orphaned and disadvantaged children in Latin America and the Caribbean will continue far into the future. Its purpose is to build a substantial and growing endowment that will generate income and help provide long-term financial stability for Nuestros Pequeños Hermanos (NPH, Spanish for “Our Little Brothers and Sisters”).

FWLEI investments are managed by professional fund managers under the direction of FWLEI’s Board of Directors. The FWLEI Board of Directors has established a yearly distribution with the goal of providing a consistent annual contribution to NPH USA for the benefit of the children of NPH. FWLEI is able to release additional funds in response to a major event or tragedy that jeopardizes the ability of NPH to continue to operate a home or an outreach program.
