

**NPH USA**  
Raising Children. Supporting Families.  
Transforming Lives.

## MATCHING GIFT PROGRAM

### WHAT IS A MATCHING GIFT PROGRAM?

Many companies have contribution policies that allow the company to contribute financially to nonprofit organizations that their employees support. This is a Matching Gift Program.

### HOW DOES IT WORK?

When an employee contributes to NPH USA, the company matches that contribution, sometimes doubling or even tripling it. For example, if you give \$50 to NPH USA, your employer may donate \$50 or \$100 to NPH USA. Listed below are some areas that may qualify for your company's support:

- **Providing relief to the poor:** NPH USA helps provide food, clothing, shelter and health care for vulnerable children, as well as support to people living in poverty in Latin America and the Caribbean.
- **Advancing education:** NPH USA helps fund an extensive variety of educational opportunities, from preschool through university, as well as vocational training.
- **Preserving culture:** NPH USA helps provide art, dance, music and other cultural programs.

### WHO CAN PARTICIPATE?

Employees, retirees, spouses and their immediate family members may participate. If a company with a Matching Gift Program employs you, your spouse or your children, each of your gifts to NPH USA may qualify for a matching gift. You also may be able to participate if you or your spouse are receiving benefits under a company pension plan.

### HOW DO I FIND OUT IF MY COMPANY HAS A MATCHING GIFT PROGRAM?

Visit [nphusa.org/match](https://nphusa.org/match) and search for your company, or ask your Human Resources representative or supervisor if you have a Matching Gift Program. If you do not, please encourage them to participate!

### HOW DO I GET STARTED?

1. Ask your employer for a contribution/matching gift form or online matching website.
2. Complete the paper or online form with your gift information.
3. If using a paper form, send to the national NPH USA office for approval. We will be notified of your online matching requests.

If your company does not have a form, please contact us and we will gladly send you one.
