

OUR MISSION

NPH USA transforms the lives of vulnerable children in Latin America and the Caribbean by supporting the homes, health services and educational programs of Nuestros Pequeños Hermanos (NPH, Spanish for "Our Little Brothers and Sisters"). Together, we help children overcome poverty and become leaders in their own communities.

Founded in 1954, NPH is currently supporting more than 6,100 boys and girls in Bolivia, the Dominican Republic, El Salvador, Guatemala, Haiti, Honduras, Mexico, Nicaragua and Peru. In addition, our community outreach programs serve thousands of people each year.

OUR VALUES

LOVE AND SECURITY: providing care, engagement and stability in preparation for a meaningful and productive life.

RESPONSIBILITY: learning to respond to the needs of others, both individually and collectively.

SHARING: developing kindness, empathy and care for others through what we say and do.

WORK: contributing to one's family and community on the path to independence.

FAITH AND SERVICE: putting Christian values into action.

WHAT MAKES US UNIQUE

Our children are welcomed into a family for life and receive direct physical, emotional and spiritual support. This gives them security and a sense of belonging.

Our children have daily chores, such as dusting or farming. This teaches them responsibility and they find pride in helping their family in this way.

Our children are given a quality education and have the opportunity to pursue a trade or university degree.

Our children give back a year or more of service to share the responsibility of raising the family.

THE POWER TO EMPOWER.

NPH USA is a registered 501(c)(3) nonprofit corporation, Federal Tax ID# 65-1229309. Donations are tax deductible to the extent provided by law. All donated funds are diligently appropriated and an audited financial statement is available upon request.
