Raising Children. Supporting Families. Transforming Lives.

Exclusive Vision Trip to NPH Honduras August 10 - 16, 2021

Join us for a one-week vision trip to our NPH home in Honduras. You will meet the amazing children, staff, and volunteers of NPH and learn about the mission and vision of this great organization. If you are new to NPH, visiting an NPH home is the best way to see what we do in action. If you are a longtime supporter or sponsor, come catch up with old friends or visit with your godchild. Every visit is an opportunity to see how your support is helping children grow, flourish, and become productive members of society. *Vaccinated adults are welcome.** Join us – for an unforgettable experience! *Hurry, space is limited!*

**We will open other trips to minors later in the year.*

NPH Honduras

A thriving, bustling community less than an hour from the nation's busy capital is Rancho Santa Fe. Open since 1985 Rancho Santa Fe is the second oldest of the NPH homes. Hundreds of *pequeños* make their home in this vast wooded oasis in the hills—a metropolis in comparison to the surrounding quiet pueblos—while older *pequeños* study and live in the capital, Tegucigalpa.

COVID-19 Protocols:

In order to protect the unvaccinated and vulnerable populations in our care, visitors are required to follow all protocols set forth by the NPH home, which include (but not limited to) mandatory vaccinations, mask-wearing, and a negative COVID-19 test after 3 days of "social-distancing" from the children upon arrival. In those first 3 days, visitors will participate in socially distanced tours of the Ranch and our Community Programs as well as visit the quaint town of Valle de Ángeles and La Tigra National Park.
