## COMMUNITY OUTREACH

All of the NPH homes assist people in their communities in a variety of ways, including scholarships for local students to both NPH and non-NPH schools, health services, disaster relief, and support for *Hermanos Mayores* ("older siblings") who grew up at the NPH home.

**81,170** community services

NPH Haiti's St. Damien Pediatric Hospital serves children and high-risk pregnant women.

# YEAR IN REVIEW 2020

It's been a difficult year for so many families around the world including our family at NPH, as the impact of the global pandemic continues to affect the thousands of children that we serve throughout Latin America and the Caribbean.

Yet, our children are cared for by so many like you who are family to them in these difficult times.

Through your generosity, sacrifice, and compassion, you have helped empower the lives of over 3,600 children fully supported in nine countries as well as nearly 3,700 others in surrounding communities benefitting from our educational and community programs. In total last year, over 81,000 vital services were provided through programs funded by your generous support!

Your generosity provides our children and youth with:

- A safe, permanent, and loving home where children can grow as part of a family
- Nutritious food to keep them strong and healthy
- Comprehensive healthcare across all of life's stages
- The education they need to break the cycle of poverty and propel their future

Thank you for supporting this amazing NPH family!

In Gratitude,

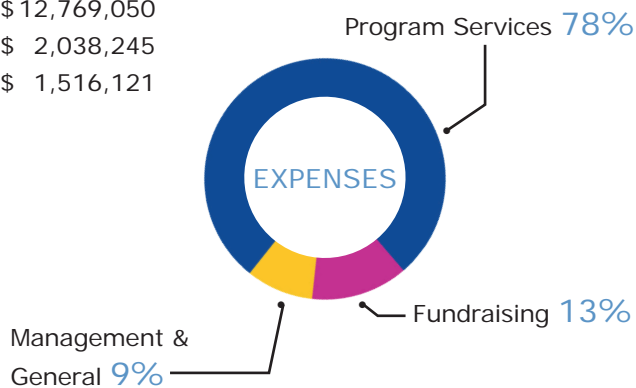

John Deinhart  
President and Chief Executive Officer
