How to Create Your Own Fundraising Page

Here is a chance to make a real impact in the lives of some of the most vulnerable girls in the world. Simply create a **Celebrate Her** fundraising page and invite friends, family, neighbors, and co-workers to make a gift that will help educate, support, and empower women and girls who otherwise would face lifelong violence and insecurity.

We've made it easy for you to set up and customize your NPH USA page:

1. Go to: nphusa/Icelebrateher

2. Click [Become a Fundraiser](#)

3. Enter in your information and press

[Become a Fundraiser](#) again

4. Click on [Personalize My Page](#)

a. Upload a picture

b. Enter your fundraising goal (25 friends X \$35 each = \$875). Reaching your individual fundraising goal gets us closer to hitting our overall goal of \$25,000 from supporter fundraising pages--and every dollar makes a difference!

c. Share a personal message--tell your friends why you're raising money for NPH!

d. Click [Save](#)

5. Want to edit your page after you've completed the setup? No problem! Just scroll down to the bottom and in the lower right-hand corner, click **Edit my page**

6. Share your page with friends and family!

- At the top of your page, there will be a code that starts with **celebrateher** followed by at least one other number:

[Text celebrateher# to 71777](#)

Anyone who texts the full code to 71777 will get a link to donate to your specific campaign!

- Once people start to donate, you'll see your thermometer go up! Plus, you'll get an email notification each time someone donates!

"You may be only one person in the world, but you may be all the world to one child."
