

Dear Friend,

We are pleased to present you with the opportunity to sponsor our exclusive St. Damien Pediatric Hospital virtual fundraising event featuring **celebrity chef, Gregory Gourdet**, a James Beard award-winning cookbook author, television personality, and acclaimed restaurateur.

St. Damien is the only wholly dedicated children's hospital in all of Haiti, providing more than 50,000 medical services to high-risk pregnant women and children each year. Without support, they would not exist, and thousands would die from treatable conditions.

As an event sponsor, you would be making a huge positive impact in the lives of children and mothers in Haiti. You will be promoted by NPH USA and the St. Damien Collaborative and receive recognition among event participants and our donor network—a large, elite group of supporters in the U.S. medical and philanthropic communities.

Chef Gregory and St. Damien Pediatric Hospital are throwing this exclusive watch party on Monday, October 17<sup>th</sup>, where participants will learn how to create a spectacular, authentic Haitian meal, while renowned emcee Billy Harris introduces the audience to personal on-the-ground stories and updates in Haiti, and provides fun opportunities to support thousands of children, mothers, and caring, selfless medical staff.

Never has there been a greater need to help our brothers and sisters in Haiti where the hardship of extreme poverty has been exacerbated by natural disasters, political instability, and rampant threats to safety and security.

We look forward to partnering with you to fuel your cause-related marketing efforts. Chef Gregory Gourdet's star power will help gain visibility for your brand and our work. **We greatly appreciate you taking this opportunity to help save children's lives!**

Sincerely,

Jennifer Rayno
