OUR IMPACT: COMMUNITY OUTREACH PROGRAMS

Fr. William B. Wasson, founder of Nuestros Pequeños Hermanos (NPH, Spanish for “Our Little Brothers and Sisters”), believed in raising children to be responsible and share with others. As a result, all of the NPH homes assist people in their communities in a variety of ways. Whether it be responding to a natural disaster or local crisis, or partnering with national child welfare agencies, saving children and their families takes the combined resources of NPH and our partner organizations. Together, we implement the best care practices and customize our services to meet the needs of the surrounding area while ensuring that we adhere to local legal, ethical and cultural standards. By uniting international and local efforts, we are able to achieve meaningful progress in the community.

Making an Impact

Nuestros Pequeños Hermanos (NPH) means “Our Little Brothers and Sisters” in Spanish. NPH USA transforms the lives of vulnerable children in Bolivia, the Dominican Republic, El Salvador, Guatemala, Haiti, Honduras, Mexico, Nicaragua, and Peru. Together, we help children overcome poverty and become productive, caring leaders in their own communities. Founded in 1954 by Father William Wasson, NPH is supporting nearly 7,000 children, both inside and outside our homes, ensuring they have a safe and nurturing place to live, an education, clothing, healthcare, and a strong family support system. In addition, NPH’s St. Damien Pediatric Hospital employs more than 500 Haitians and is the only hospital wholly dedicated to pediatric and prenatal care in Haiti, a country of 11.5 million people.

Community Outreach Programs by Country

NPH's community outreach programs vary by country, but typically include scholarships for local students to both NPH and non-NPH schools, health services, donations of food and supplies, social services, and support for *Hermanos Mayores* ("older siblings") who grew up at the NPH home. Some NPH homes have specialized programs *as noted* in the below map.
