Raising Children. Supporting Families. Transforming Lives.

## Immersion Trip to NPH Dominican Republic November 11 – 17, 2022

Join us for a one-week immersion trip to our NPH home in the Dominican Republic to experience firsthand how NPH transforms the lives of children!

During your trip you will have the unique opportunity to stay at the NPH home with the children, which will allow you to immerse yourself in NPH life. You will help out with chores around the home and also spend time with the pequeños who live there. Activities will be coordinated with children of different age groups throughout the week. You will have the opportunity to meet with leadership and volunteers at the NPH home, tour the home's facilities, and hear from the children about living at NPH. You will also have the chance to engage with the local community, visit the beach with the pequeños, and tour historic Santo Domingo.
