Vision Trip to NPH Mexico November 11 – 15, 2022

Join us for a five-day vision trip to our NPH homes in Mexico. On this trip you will have the special opportunity to join in *quinceañera* festivities for girls celebrating their 15th birthdays. You will also meet the amazing children, staff, and volunteers of NPH and learn about the mission and vision of this great organization. If you are new to NPH, visiting an NPH home is the best way to see what we do in action. If you are a longtime supporter or sponsor, come catch up with old friends or visit with your godchild. Every visit is an opportunity to see how your support is helping children grow, flourish, and become productive members of society. Join us for an unforgettable experience!
