Did You Know?

- Rafael Arce, NPH Peru's National Director, is an *Hermano Mayor* ("Older Brother"), who was raised at NPH Honduras. ▲
- Each of the family-style homes is designed to accommodate 16 children and two caregivers.
- The farm produces organic vegetables, such as onions, carrots, lettuce, cucumber, passion fruit and chili peppers
- The school year begins in mid-March. The children currently attend local schools. Many had never been to school prior to joining NPH.
- The home's vocational workshop provides the opportunity for youth to learn a valuable trade, as well as provide bread for the home. ▶
- The **Higher Education Program** offers youth and young adults vocational training, university instruction, and resources for transitioning to an independent and prosperous adulthood.
- The **NPH OneFamily Program** prepares children and families for reintegration through a comprehensive, child-centered process in accordance with local laws. Follow-up support focused on the child's well-being also is provided. ▶
- A major expansion of the NPH Peru **Family Community Center** began in 2022 with the construction of a sports field. This new infrastructure will host workshops in different sports disciplines, helping youth develop their skills and live a healthy lifestyle.
- The **Therapy Center** offers psychological, physiological, language, and occupational therapies to guarantee holistic treatment for children, especially those who suffer from chronic conditions.
