Nuestros Pequeños Hermanos (NPH) means "Our Little Brothers and Sisters" in Spanish. Over the past 70+ years, NPH has empowered tens of thousands of vulnerable children to break free from the cycle of poverty—building better futures for themselves and their community. Providing love and vital social services, NPH strengthens families and helps kids grow into independent, caring adults who give back to their communities, shaping brighter futures for themselves, their families, and their communities.
