

IT'S "SIMPLER THAN ONE MIGHT THINK ..."

Dawn and Dave Ludden

Dawn and Dave fell in love with the mission of NPH in 2009.

"We learned about the many needs of these vulnerable young people, and were amazed and grateful that an organization exists to help provide those needs... that night, we became sponsors of our first goddaughter, Diana."

Over the years, the Luddens have remained involved as sponsors, hosts, and volunteers. They also contribute to an annual college

scholarship of another NPH pequeña.

The Luddens have also opened their heart to the children of NPH through a gift in their estate plan. Dawn says: ***"The decision was simpler than one might think. In our interactions with the NPH community over the years, we have witnessed the deep love this organization has for the children in its care.*** We know NPH makes a big impact in the lives of vulnerable children. In addition to the basics, the young people are also given the opportunity to hope and dream, and that's huge. We can't think of a better way to share our blessings than to support this most worthy cause through our estate."

Dave adds, ***"A lot can be said about the peace of mind and good feeling one experiences when you make a good decision in your life. Creating an estate plan, and including NPH USA in it, is one of those moments for us."***

Dawn and Dave are confident that the legacy they will leave will be well used to impact the lives of thousands of children in a powerful way saying, ***"We hope that many other NPH USA donors and friends will consider providing for the future of the pequeños through a gift in their estate plan as well."***

SAMPLE BEQUEST LANGUAGE

Making a gift in your will or living trust, known as a bequest, can help you create the legacy you wish to leave and help to care for the children of NPH today, tomorrow, and forever.

It's easy. Here's how:

If you wish to support current and immediate NPH mission needs, please direct your legacy gift to **Friends of the Orphans** (our legal name) using the following language:

"I give to **Friends of the Orphans**, Federal Tax ID# 65-1229309, a nonprofit corporation currently located at 20 N. Wacker Drive, Suite 4000, Chicago, IL 60606, or its successor thereto *[insert one of the following: a specific dollar amount, a percentage of my estate, all of the rest, residue and remainder of my estate, both real and personal, after all my other bequests and obligations have been satisfied, or a specific description of property]* for its unrestricted charitable use and purpose."

If you wish that your gift be invested and grow over time to ensure sustaining funding for future generations of vulnerable young people through the mission of NPH, consider directing your legacy gift to the **Father Wasson Legacy Endowment** using the following language:

"I give to the **Father Wasson Legacy Endowment**, Federal Tax ID# 91-2005679, a nonprofit corporation currently located at 20 N. Wacker Drive, Suite 4000, Chicago, IL 60606, or its successor thereto *[insert one of the following: a specific dollar amount, a percentage of my estate, all of the rest, residue and remainder of my estate, both real and personal, after all my other bequests and obligations have been satisfied, or a specific description of property]* for its unrestricted charitable use and purpose."

To designate your gift for a particular purpose, use the same language as above, replacing "for its unrestricted use and purpose" with:

"This gift should be used for (stated purpose) if and so long as the organization determines that the need exists. If the organization shall determine at the outset or at a later time that the need no longer exists or for some reason it is not possible (or prudent) to administer my gift as originally intended, the organization may, in its sole discretion, direct the use of my bequest for a purpose related as closely as possible to that stated above."

If you have named Friends of the Orphans or the Father Wasson Legacy Endowment in your will or trust, please let us know so we can ensure that your gift is used according to your wishes.
