Did You Know?

- The school year in Guatemala is January – October. The curriculum includes Spanish, social studies, natural sciences, English, arts and crafts, music and sports.
- There are five nationally certified vocational workshops: Baking, Cooking, Carpentry, Metalwork, and Sewing.
- The **Sagrada Familia Daycare Center** opened on the NPH property in 2019. It provides care and early stimulation for 2-to-4-year-old children of single parents with limited resources.
- The **Father William Wasson Family Center** opened in 2022. Located 5 miles from the NPH home in Chimaltenango, it focuses on supporting and strengthening families by filling vital gaps in services to help children, people with disabilities, and single mothers. The Center offers free nutrition, daycare, and tutoring for children; speech and physical therapy for children and adults; and training for parents.
- In 2023, a total of 95 children and young adults were supported through the **OneFamily Program** which focuses on keeping struggling families together by providing aid through scholarships, psychological therapy, educational workshops, and parental schooling. ▶
- The **Chicas Poderosas** (“Powerful Girls”) program helps prepare and empower girls by building self-esteem, self-awareness, and confidence.
- The **Labor Insertion Program** gives youth necessary skills to acquire a job that so that they can become self-sufficient and contributing members of society. The program provided job training and education and placement assistance to 89 young men and women in 2023.
