Guide Sources: *The CIA World Factbook, Lonely Planet.com, UNICEF, U.S. Department of State*

Nicaragua borders both the Caribbean Sea and the North Pacific Ocean.

Area: 49,998 square miles – slightly smaller than the state of New York

Population: 6,359,689 (2023 estimate)

Languages: Spanish, English and indigenous languages on Atlantic Coast

40% of the population has no access to health care.

Climate/Environment

- Interior is covered in mountains surrounded by both Atlantic and Pacific coasts
- Mostly tropical in the lowlands while there is cooler weather in the highlands
- Susceptible to earthquakes, volcanoes, landslides and hurricanes
- Environmental issues include deforestation, soil erosion and water pollution

A Brief History

Since the arrival of the Europeans in the early 16th century, and especially over the past 100 years, Nicaraguans have endured civil wars, brutal dictatorships, struggle and hardship. Even after the country won independence from Spain in 1821, a power vacuum led to civil war. For decades there was struggle between conservatives and liberals, and with U.S. involvement, many liberal rebels were put down. By the 1920s, resistance had been mostly quelled, the U.S. detracted its presence and the Somoza family dictatorship began its domination, which would last for more than 50 years. It was finally uprooted in 1979 by the Sadinista revolution.

The Sandinistas inherited a country in shambles. Poverty, homelessness, illiteracy and staggeringly inadequate health care were just a few of the widespread problems. Some 50,000

people had been killed in the revolutionary struggle and 150,000 were made refugees. This, compounded with the fact that Nicaraguan aid to leftist rebels in El Salvador caused the U.S. to sponsor anti-Sandinista contra guerrillas through much of the 1980s, inevitably created further turmoil for Nicaragua for the years to come. 1990 brought the first free elections for Nicaragua.

Nicaragua has a great socio-economic division. A small number of the rich controls most of the wealth while the majority of people are immersed in poverty. The government is often corrupt and the criminal enterprises seem to be on the rise. Many children are orphaned, abandoned or neglected and live a life of malnutrition, begging, stealing, prostitution, and early pregnancies.

Responsibility

Responsibility is one of the most important values that NPH tries to instill in their children. This is why each child is expected to not only be responsible for him or herself, but to contribute to the family. This includes traditional chores such as washing clothes, cleaning, and serving food.

Each child also has additional responsibilities after school and during the weekends. Some work in the gardens, while others care for the grounds and clean common areas. Everyone knows how much effort goes into caring for their home and all the people who live there.

Every child at NPH Nicaragua is asked to do two years of service: one after 9th grade and another after 11th grade.

Travel Tips

Time Zone

Central Standard Time
UTC/GMT -6 hours

When traveling abroad, we recommend enrolling in the U.S. Department of State's Smart Traveler Enrollment Program (STEP). This free service helps the U.S. government know where citizens are, so they can notify and assist them in case of emergency. To enroll, visit <http://step.state.gov/step>

The goal of the trip is to have fun, experience the culture of Nicaragua and meet the inspiring children of NPH. Each traveler has so much to share with this great family and so much to learn. We hope that each visitor grows from their interactions with the children we support, just as your visit helps them to do the same.

Entry Requirements

A valid U.S. passport is required to enter Nicaragua. While a visa is not required, your passport must remain valid until your return date and you must purchase a tourist card for \$10 and pay a \$2 migration processing fee (both in cash) upon arrival. Tourist cards are typically issued for 90 days.

Vaccinations

Before traveling to Nicaragua, please consult your physician and visit www.cdc.gov/travel

Transportation

- For group trips organized by NPH USA, transportation will be provided by NPH.
- Do NOT hitchhike under any circumstances.

Accommodations

Lodging varies depending on trip package. See specific trip information or consult the coordinator for details.

Food

While at NPH facilities, we will eat just like the children and staff at specific mealtimes:

- Breakfast: 5:30 a.m.
- Lunch: 1:30 p.m.
- Dinner: 6:30 p.m.

Food at NPH is NEVER wasted. If you are unsure you will like what is being served, ask for only "un poquito" (a little), and if you cannot finish, please offer it to one of the kids.

Please read NPH International's Visitor Policy and Guidelines, sign the form and return it to your trip coordinator.

While on day trips, we will eat in restaurants where we are sure that food will be prepared safely.

All visitors are welcome to bring additional snacks to share. Be sure to bring things that can withstand hot and humid conditions and preferably are individually wrapped.

Water

DRINK BOTTLED WATER ONLY. This cannot be stressed enough.

Bathroom Etiquette

It is not possible to flush toilet paper in most Latin American countries due to the poor plumbing systems. Toilet paper and all sanitary products must be thrown in small waste baskets next to the toilet. **DO NOT flush toilet paper or sanitary products while visiting the NPH home.**

Bring travel toilet paper, or a small packet of facial tissues on day trips. Tissue is not always available in public bathrooms.

Electricity

Electrical outlets are the same as the U.S.: 120 volt, 60 hertz, so no adapters are needed. You should expect power outages, which are common in Latin America.

Travel Tips *(continued)*

E-mail & Phones

There are nearby Internet cafés for e-mail and phone calls.

Clothing

Comfortable, broken-in walking shoes are a must! The days are warm, so light clothing – shorts, slacks, cotton T-shirts, sandals and/or running shoes – is appropriate.

Keep in mind to dress conservatively and in a tidy manner. Please do not wear anything torn, too short or provocative. If you have any piercings other than ears, please take them out during your visit. If you have any tattoos, please keep them covered. These can be associated with gang activity and we do not want the children to have a negative impression of you.

Currency and Credit Cards

Nicaragua's currency is the córdoba (C\$), sometimes called a "peso" or "real" by locals, or a "cord" by expats. Córdobas come in coins of C\$0.25, C\$0.50, C\$1 and C\$5, and bills of C\$10, C\$20, C\$50, C\$100 and C\$500. U.S. dollars are accepted almost everywhere, however, córdobas are usually easier to use. Always keep at least 200 córdoba on you, preferably in smaller bills, just in case.

Most major credit cards are widely accepted throughout Nicaragua. However, please remember that fraud is increasing all over the world, so you should be cautious.

Tipping

For airport/hotel baggage handlers, \$1 U.S. per bag is acceptable. For restaurants and other services, 10-15% of value of service is customary, but not obligatory. NPH drivers, guides or other helpers never need to be tipped. However, if on a full day trip, the group will be expected to provide lunch.

Safety

Outside the gates of NPH, we recommend that you never go alone anywhere. Be vigilant in regards to your surroundings. While at the home, we will be in a very safe and controlled environment. However, it is important to remember to watch your personal property. Our children have all come from very different backgrounds and while NPH tries to help them realize that they are safe now, many of them are still in survival mode. They are not malicious, but for many, taking is the only way they survived.

Departure

There is a \$42 departure tax. Many airlines include it the price of the ticket. If the tax is not included, payment can be made at the airline counter upon departure.

See page 9 for emergency contact information.

PLEASE DO NOT give children your address, e-mail or phone number even if you are their sponsor.

When in doubt . . .

Bring things that NPH needs or wants, and that get depleted. If you are still unsure, ask!

PLEASE DO NOT

- Bring candy or small items to randomly pass out. This can result in hurt feelings among children who do not receive anything.
- Bring expensive gifts, such as music players, video games or jewelry. This may unintentionally create feelings of jealousy and cause problems for that child.
- Give gifts directly to the children. Give them to the home's Visitor Coordinator or a staff person.
- Give money to anyone at the home. This can cause confusion about how it will be used and will not qualify for a tax deduction under U.S. law. Please make all donations through NPH USA.

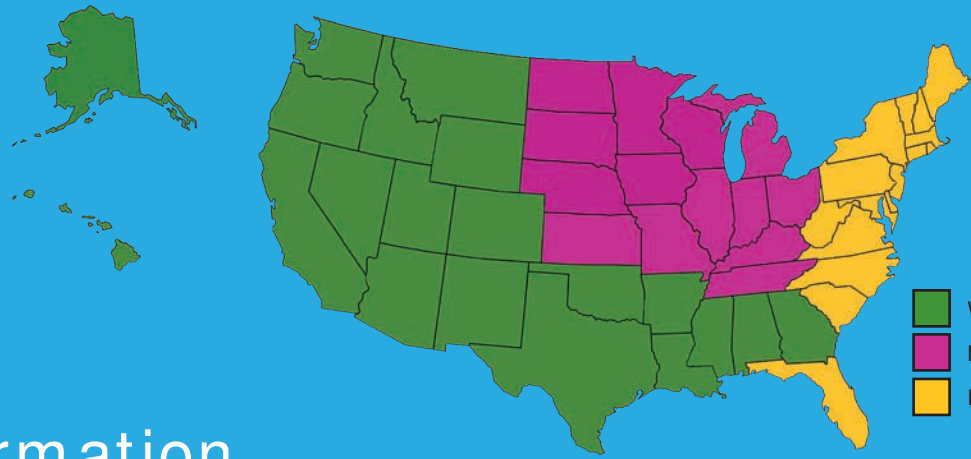

REMEMBER, YOUR VISIT IS A GIFT!

Neither NPH nor NPH USA want the children to associate your visit with material items. The best thing that you can bring is you! All your kind words, thoughts and affection are going to be the most lasting gift. Building relationships is the most valuable thing you can offer!
