

NPH USA
Raising Children. Supporting Families.
Transforming Lives.

CHURCH PARTNER PROGRAM

NPH USA transforms the lives of disadvantaged children and families in Latin America and the Caribbean by supporting the homes and programs of Nuestros Pequeños Hermanos (NPH, Spanish for “Our Little Brothers and Sisters”). NPH children (called “pequeños”) receive holistic care, going beyond their basic needs of food, clothing, shelter, health care and an education. Our programs provide a spiritual foundation with the goal of raising good Christians and productive members of their respective societies. They receive spiritual guidance from dedicated staff and volunteers who are motivated by a calling to live a life of service to others.

Share Our Mission and Impact Your World

In partnership with NPH USA, your faith community has a tangible opportunity to help break the cycle of poverty for thousands of children. The impact will be felt for generations.

Church Partners commit to promoting our mission and to finding sponsors for children in need. Through our partnership, your community will have an opportunity to put their faith in action while raising funds for and awareness of vulnerable children.

Benefits of Partnering with Us

Bring your faith formation to life. The NPH mission is a contemporary case of teaching children to live in the example of Christ. Supporting this work can be a way to connect scripture to our everyday lives. NPH USA provides your church with an opportunity to respond to the call to care for our brothers and sisters in need, and put your social justice mission into action. Our programs can engage all members of your community by offering opportunities for cross-cultural learning and exchange. Join us and offer a helping hand to children in need. When you make a difference, your community will be transformed as well.

- Guest speakers from the NPH homes

- Staff representation and support at events
- Informational materials and displays

Child Sponsorship Opportunities

Host a Sponsorship Sunday. Sponsoring a child is a powerful way for families and individuals to connect to your church's social justice mission and provides an opportunity for cultural exchange and learning. Hold a sponsorship drive and help connect your faith community to children in desperate need.

Become a Church Sponsor. Sponsor a child as a church community, youth group, Bible study or other ministry. By working together to change one child's life, you can build a strong community within your church.

Partnership Opportunities

Host an NPH Ambassador. NPH USA can arrange for someone from NPH such as a student, an *Hermano Mayor* ("Older Sibling" - someone who was raised at an NPH home and is now an independent adult), a staff member or a volunteer to speak to a church community. They will share stories about their personal journey with NPH providing an unforgettable experience and a concrete opportunity to change the lives of children and families in need.

Plan or participate in a Mission Trip. Travel with us to visit an NPH home. Church members will have the opportunity to see how their support of NPH USA changes lives while building relationships with NPH children.

Offer a Second Collection.* Many churches support the work of NPH USA by offering a second collection in conjunction with readings and lessons that teach about social justice and caring for the "least among us."

Fund a Need.* Many churches support our work by providing for the children's most basic needs of food, education, healthcare, clothing and shelter. Consider working with your church to fund a specific need at NPH, for example:

- \$2,500 = Blankets for 250 children
- \$5,000 = Food for 2,000 children for one day
- \$10,000 = Elementary education for 26 children for one year
- \$20,000 = Beds for 133 children

*Our staff, volunteers or even *pequeños* – the children from the homes – can share their stories of how your contributions have helped transform the lives of our children with your community.

“**Hosting the children energized me about the parish...** I felt the Spirit of Christ renewing my faith on an individual level. It also renewed my faith in this parish because something so important to me became important to the parish.”
